Greetings,

We appreciate you contacting our office -- I am including (CC'd) our Field Deputy Juan Fregoso who covers the area for the Councilmember and he may provide information/assistance on this concern. Thank you again.

My best

Dear councilman, it's completely and totally unacceptable that we have allowed the homeless to take over Echo Park Lake. They are there 24 hours a day and obviously, since none of the rules are being enforced, others are drawn to the park and now there are encampments surrounding the entire park twenty-four hours a day. All that money was not spent so that the park could become a crackhead Haven. Make lapd enforce the rules

Thank you for responding. Please don't respond with the standard response of "were building bridge housing" or "they are down on their luck".... The citizens of this city are sick and tired of this nonsense. We need to enforce lmc 56.11, sue the aclu, Carol Sobel and LACan and take this to the Supreme Court if need be. We need to overturn the Jones and Mitchell cases as well as overturn props 47,57 and ab109.

Also, please work on the graffiti that has now returned to the park in large numbers. Tagging needs to be removed within a few hours or else these jackasses realize they can tag there whenever they want

Hi Dion,

Sorry for the delayed response. Do you have some time next week to schedule a call and further discuss?

We have been working with both LAPD and the Park Rangers regarding all the safety issues at the lake.

Let me know what works for you, I look forward to talking to you soon.
